September 2025

Dear Friend,

Missed September Condor Chat? Watch the recording! Meet [Bernie \(1302\)](#), hear interns' insights on the seven condors being prepared for [release](#), and see the names viewers chose. These beautiful young birds can be [seen on the San Simeon Condor Cam](#) as they prepare for release.

NOTE: Next Condor Chat - Saturday, October 25

Don't miss our live-stream [Annual Condor Release Event!](#)

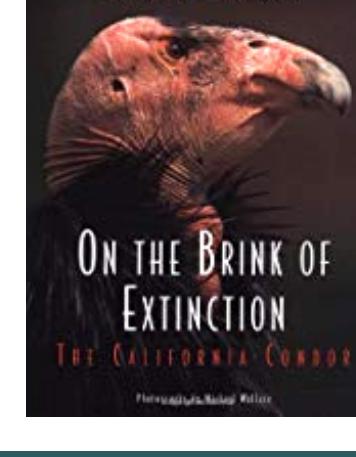

From Zero to 100+ in the Wild!

We are rebuilding the wild [California Condor population](#), but [lead poisoning](#) remains the top threat. With your support, we can keep these birds soaring.

[Save the Condors](#)

On the Brink of Extinction

Tells the inspiring story of California condors' fight for survival - from the last wild birds brought into captivity in the 1980s to a thriving [population of over 500](#) today, including more than 300 in the wild. [Read more](#)

[Our shop](#) has something for everyone!
